

**THE NINETEENTH RUNNING OF THE FIRST  
(AND MAYBE THE ONLY)  
DALTON ST. PATRICK'S DAY ROAD RACE**

Evidently good weather does not mean the turnout for the race will be improved. Temperatures in the mid 60's made for great weather for running and racing. However, the turnout was the lowest since 2001. Pizza was plentiful for the participants and the door prizes stretched a little further. Door prizes were provided by The Front Runner of Chattanooga, Bradley Center for Wellness, Schlotsky's Deli, Jack Stanley, and Michael Green. The t-shirts were again supplied free of charge by Screen Printing Specialties and Contact Painters. By the way the shirts look great this year, long sleeve, green with the race logo. If any club member would like to purchase one please contact Woody Cornwell.

Michael Green took the racer out early and continued to lead throughout the race. Ricky Harrison made up time and places on the second loop, but was unable to catch Bernardo Lopez as they finished 2<sup>nd</sup> and 3<sup>rd</sup> overall. Belinda Young lead the female pack throughout the race and finished in a new female course record time of 14:17, breaking her own mark from last year.
